THE LONGEST PASSWORD EVER

If you're blond, you may have to read this twice!

JUST A FUNNY TO START THE MORNING!! The longest password ever We laugh -- but her I. D. is safe. During a recent password audit by a company, it was found that an employee was using the following password: "MickeyMinniePlutoHueyLouieDeweyDonaldGoofySacramento" When asked why she had such a long password, she rolled her eyes and said: "Hello! It has to be at least 8 characters and include at least one capital."
